Environmentally friendly, reusable, washable, anti-microbial and hypoallergenic. Includes full color process imprint on 1 side. Also available in 2 side printing and a variety of packaging options. Ask about other custom sizes and edges.

Perfect for your all cell phones, mobile devices, eyeglasses, sunglasses, camera's, LCD Screens, computer screens, ipad, tablets and other delicate surfaces without leaving any scratches.

FYI: While others sell 100% polyester microfiber lens cloth, it is not a true microfiber lens cleaning cloth and will smudge and scratch your lenses. Vispak only sells a true microfiber lens cleaning cloth, which is made from a minimum 80% polyester and 20% polyamide.
